A bike ride across South Dakota to raise awareness & money for Lutheran Malaria Initiative's "Nothing But Nets"

LWR, April 2010

- ⇒ **Did you know that every 30 seconds a child dies from malaria? Over 1,000,000 people die each year from the disease.**
- ⇒ **Did you know that malaria is a preventable disease? One way to prevent malaria is by sleeping under an insecticide treated bed net.**
- ⇒ **Did you know that for \$10 you can purchase a net, send it to Africa and educate the person on how to use it? We have a goal of sending 1,000 nets from South Dakota, please join us!**
- ⇒ **Did you know that a group of South Dakotans will be riding their bikes across the state in support of Nothing but Nets?**

To purchase nets, please make check payable to SD Synod and note Nothing But Nets in the memo line.
