

Flood of Love Sunday

From Medora to Minot, from Williston to Bismarck/Mandan and everywhere in between, communities across Western North Dakota have experienced millions of dollars in property damage caused by overland flooding and ground water seepage this summer.

Many of the members of congregations affected have also lost homes and businesses as well. These congregations will not be able to rebuild on their own. In response, the Western North Dakota Synod has started the Flood of Love Fund. Thrivent Financial has already given \$25,000 to get the fund started. We would like to challenge members of our congregations to match their generosity. Your dollars will make a big difference as individuals, congregations and communities begin the long process of clean-up and rebuild. Those affected know the devastation a flood can bring, now let a Flood of Love be unleashed so that they might know the power of God's love even in the midst of disaster.
